

Missing documents for your application as an EU worker

Dear Jonas Riisager,

We have not received all the documents needed to process your application for equal treatment with Danish citizens as an EU worker.

Please send the following documents:

1. **The completed application form for equal treatment as an EU worker**, including your CPR number if you have one, so that we can identify you and link the application to the relevant registers.
2. **Payslips for February 2026 through July 2026**, so that your employment and payments can be documented for the required period.
3. **A work schedule or record of hours worked**, so that your actual working hours can be documented.
4. **A confirmation of enrolment from your educational institution**, so that your student status can be documented.
5. **Your passport or national identity card**, so that your identity can be documented.
6. **Your EU registration certificate**, so that your registration in Denmark can be documented.
7. **Your employment contract or other proof of employment**, so that your employment can be documented.

Please send the documents by **[deadline]** and refer to case number **[case number]**.

Your case cannot be completed until we have received the requested material. We may also ask for further information if this is necessary to process your application.

If you have questions, please contact us at **[contact information]**.

Kind regards,

[Case officer]
